

## January 2022 Bunker Adjustment Factor (BAF) Rates

Dear Customers,

Please be informed that due to minor changes on VLSFO/ton prices between October and November 2021 that stayed behind the 25 USD threshold, December 2021 BAF surcharge levels are extended until the end of January 2022. You can find extended surcharge levels according to relevant regional corridors in the following page.

Regions	Reference Ports	Average VLSFO/ton
WAF	Average of Rotterdam and Algeciras	\$596
MED	Average of Istanbul and Piraeus	\$679
NEUR	Average of Rotterdam and Antwerp	\$586

For identifying the trade corridors in respective countries, we have included the below chart for your easy reference. An addendum that shows the port and country information with regional details was also included on the last page.
